YOUR HOCKEY FUTURE BEGINS HERE!

OUR VISION:

To equip young men to make valuable contributions to their future chosen professions, their communities, and the game of hockey through:

- An on-ice program that emphasizes work ethic and teamwork that teaches the finer points of the game to advance playing careers.
- Encouraging academic development to continue a pattern of life-long learning.
- A rigorous conditioning program that reduces the risk of injury.
- Community service projects that instill empathy and respect for others.

PARENT SURVEY QUOTES:

“Thanks for a great season. You all went above and beyond...I would and have encouraged players to look at Elmira based on our experience.”

“The practice schedule, while tough on the boys I’m sure, helped prepare them. Our billet family took excellent care of our player, he had everything he needed to be ready to play. A great experience for our son overall.”

WHY PLAY FOR THE JUNIOR ENFORCERS?

- ✓ **Twice a day on ice practices with full time coaches who played college and professional hockey.**
- ✓ **State of the art gym and fitness program**
- ✓ **Proximity to more than a dozen NCAA and ACHA programs**
- ✓ **See your highlights on the jumbotron at First Arena**
- ✓ **Enthusiastic fan base and professional game production**
- ✓ **Billet families and college student housing available**
- ✓ **Coach transportation and meals included on road**
- ✓ **Be part of a growing program that will field two USPHL teams in 22-23.**
